Port of Huntsville Announces the Release of Fiscal Year 2008 Annual Report

HUNTSVILLE, Ala., Oct. 14, 2008 – The Port of Huntsville is pleased to release its fiscal year 2008 annual report. The report highlights the activities and operations of the three main operating entities of the Port of Huntsville – Huntsville International Airport, International Intermodal Center and Jetplex Industrial Park.

The mission of the Port of Huntsville is to provide multi-modal transportation services to a diverse regional customer base and to stimulate the economic growth and development of the Tennessee Valley region.

According to Jeff Sikes, Chairman, Board of Directors, “It was a record-breaking year of financial progress as well as growth of the entire Port of Huntsville facility, helping put the infrastructure in place to better serve our customers well into the future. From setting records on the intermodal side of the business by performing the operation’s 500,000th lift to acquiring new corporate tenants and adding more than 400,000 square feet of new development in the Jetplex Industrial Park, the Port of Huntsville continues to move people and products forward for the betterment of our community.”

“The 2008 annual report highlights the 40th anniversary of the Port of Huntsville in its existing location as well as the accomplishments of this past year while featuring new services, infrastructure and technological advancements,” said Rick Tucker, Executive Director. “We continue to focus on offering quality services and facilities for the entire Tennessee Valley region while providing superior non-stop customer service for all of our entities.”

Copies of the annual report are available at the Airport Authority office or by calling (256) 772-9395.
