## Vision Airlines Launches Non-Stop Service From Huntsville International Airport to Destin/Ft Walton Beach

*\$49 (each way) companion fare sale begins March 28<sup>th</sup> and ends April 10<sup>th</sup>*

**HUNTSVILLE, Ala., March 28, 2011** – Vision Airlines has launched its new non-stop service between Huntsville International Airport and Destin/Ft Walton Beach. The service – with roundtrip flights on Fridays and Mondays – operates on a 30-seat Dornier 328 regional turboprop aircraft with fares averaging \$89 each way. In celebration of the service launch, Vision today announced a \$49 (each way) companion fare sale through April 10<sup>th</sup>. For complete details, visit [www.visionairlines.com/specials.html](http://www.visionairlines.com/specials.html).

According to Clay Meeks, Vice President of Marketing and Business Development, Vision Airlines, “Vision Airlines is excited to launch this new, low-cost air service to the Huntsville community and surrounding areas. It is our desire to continue to grow our service and route structure, and offer tremendous value to leisure travelers.”

“Known for its powder white beaches and tranquil emerald waters, the Gulf Coast represents a top vacation destination for the Tennessee Valley region, so we anticipate this new service to be embraced by our community,” said Rick Tucker, Executive Director, Huntsville International Airport. “With Vision’s non-stop service, traveling to the Sunshine State will only take approximately one hour and at an attractive price, and with the increasing cost of fuel, more and more travelers are looking for ways to save!”

Huntsville International Airport Chairman of the Board, Betty Fletcher, is very pleased to add another non-stop destination to the community’s available options. “Bringing additional service to our passengers is a top priority,” said Fletcher. “As the community grows, we want to mirror that in terms of air service development.”
